

Lighter, Smaller and Simpler mechanism

Easier design brings better workability!

Comparison to current machine

Smart 1

Lightness

Lighten weight 5.8kg to 4.5kg
It makes easier transport

Smart 2

Small

Installation area is decreased in about 17%.
We recommend you to use in limited area.

Smart 3

Energy saving

Save electrical charges around 63%.
*calculated by JPY27/kwh

Usable Twist ties

■PET ■PVC ■PE ■Polycore tie LA
■PET economy ■Strong ■Rainbow ■Aurora ■Meteo

Feature

- It twists and ties vinyl ties automatically
- It can tie neatly and tightly with light touch
- It can tie Polycore ties well

Usage

To tie farm products and bags for foods

Made in Japan

Item Code	:KC-POC-10
Machine size	:Length = 600mm :Width = 130mm :Height = 280mm
Wight	:4.5kg
Tying Capacity	:3mm ~ 10mm diameter
Power	:UL 110V
Speed	:40 Cycles
Twist tie width	:4mm
